Nightrider Invitational is coming October 6, 2108. We need volunteers

September Minutes

Band Director Report

Parent Support has been amazing. Volunteer support has made an incredible environment for kids.

DCI Perspective: this was a questionable year and we were in the black still. This is an activity we host as a positive experience for the band community and kids. We will discuss in January when we make a decision regarding continuing having the event. There are several profit centers like ad revenue, funnel cake sales, etc related to the event.

Financial Report: Look at the top three lines which are cash on hand. That is our actual money on hand. The rest is money allocated to other areas. The money situation will improve from here on out. Money will come in.

Adam Ryburn has spent a lot of time working on the Indy trip. He is working the logistics to save money. In the past we have spent about \$25-30 per student on trip coordinator. It is \$0 this year. Adam has secured a location across the street at a church for free.

Yukon Festival 9/29 @ appx 10am we would like to have a parent preview that morning. It will be an opportunity to talk through the show.

NRI Update: Southmoore is not in attendance. We like to host OBA to encourage bands to attend

WGPO State Championships Host! It is a very large money maker. This is a fundraiser for the entire band program.

Semi-tractor rental is a problem. We need some leads on a company willing to work with us. We will need it 9/29, 10/20, 10/23, 11/8-11/11.
